

H&C Activities Team - Year 2022 program - for OAS & VET Quas

Calendar is subject to change without notice!

All Activities will be resicited to the regulations of Scouts NSW and the NSW State Government as at the closing date of the activity. All dates subject to change without notice.

Activities are open to most Sections. Note different start times or days for Joeys, Cubs and sometimes Scouts on some activities. This is done as it fits in with the new program where higher stage participants help out the less experienced ones.

At least 1 Leader from each Group is to attend, when their youth members are attending . All Youth participants are to talk to their Leaders before applying for activities!

Note: Closing dates, Sections. Payments to be made on application. Use Intent to Apply Form off Region Website
